

Being Honest As An Individual

By David J. Stewart | December 2012

In 1978 Billy Joel sang a song titled, "[HONESTY](#)." As a Christian I don't endorse Billy Joel's music, but the message of this particular song and the music itself are very beautiful. I heard the song in a store the other day and I got to thinking about how much the mainstream newsmedia lies to everyone about everything, and how our nation's leaders are so dishonest and lie to the citizens all the time, and how so many big companies and banks lie and use fine print to trick and manipulate people's minds, and how so many people are quitting their marriages and breaking their promise to stay with their spouse until death. Honesty, it's such a lonely word, everyone is so untrue!

"Honesty is hardly ever heard these days" the lyrics say. So true, sad to say! People are so dishonest. People have become such liars—from ambulance-chasing lawyers to marriage quitters who file for divorce. A person's vow used to mean something, but not anymore. Companies used to have integrity, but along with all the cheap imports from China, so also have we cheapened our values as a society. You cannot expect honesty from a selfish corporate environment of greed and betrayal of American sovereignty. It is really sad what our nation has become—a cesspool of iniquity, manipulation and deception.

Although a discussion about honesty could literally go a hundred directions, I'd like to focus first on the lying wonder of the New World Order, and then make a personal appeal to you as an **INDIVIDUAL** (the arch enemy of the New World Order). I got to thinking some more and realized that in essence, the New World Order is an assault on personal honesty and individuality. I mean, it requires the individual consent of one soul at a time for the system to work. Although the New World Order is composed of countless tens-of-millions of supporters, each person at some point chose as **INDIVIDUALS** to be a part of evil and dedicate their allegiance to the All-Seeing-Eye and The Great Pyramid. People don't just [flash the El Diablo "I Love Satan" hand sign](#) by the millions; but rather, as **INDIVIDUALS** they made a choice to sell their soul to the Devil at some place in life.

The New World Order is being built one soul at a time, just as the Kingdom of Heaven. Salvation is an **INDIVIDUAL** decision to receive the gospel (Christ's death, burial and resurrection) as full-payment for our sins. For the NWO to succeed, the Globalists must completely wipe-out individuality, which was firmly stated by [Gregory Brock Chisholm](#) in a speech given in 1954 in California to a gathering of educators...

"To achieve world government, it is necessary to remove from the minds of men their individualism, loyalty to family tradition, national patriotism, and religious dogmas." —George Brock

**Chisholm, in a Speech given at the, Conference on Education, Asilomar,
California, September 11, 1954**

Did you read that... “their INDIVIDUALISM!” Children enrolled in government public schools are being INDOCTRINATED with the wrong philosophy that the greater good of the group outweighs the importance of the individual. Such teachings are the very foundation fueling the murderous abortion industry. Globalists rationalize that the death of hundreds-of-millions of human lives is necessary to prevent overpopulation. Albeit, such thinking is evil and goes totally contrary to the Word of God. Jesus specifically warned about such paranoia thinking...

Luke 12:28-30, “If then God so clothe the grass, which is to day in the field, and to morrow is cast into the oven; how much more will he clothe you, O ye of little faith? And seek not ye what ye shall eat, or what ye shall drink, neither be ye of doubtful mind. For all these things do the nations of the world seek after: and your Father knoweth that ye have need of these things.” [emphasis added]

Unfortunately, no matter how much we may try to restore liberty as the U.S. Constitution outlines, we will fail without the cooperation of our leaders. The problem is that the underlying moral foundation of American society has been torn and compromised. Communism has succeeded. If you don't realize that, it's only because you haven't researched the history of our nation, especially over the past century. Clearly visible Communist agendas are Rock 'N' Roll music, Hollywood, feminism, homosexuality, abortion, government (public) schools, nationalized healthcare, and the liberal arts. Anything that seeks to promote bigger government is pulling on the same rope as Communism (total state control).

History reveals that it was the Freemasons and Zionist financiers who birthed Communism as a vehicle for achieving world government, evidenced by Karl Marx's Communist Manifesto (a plot for establishing global takeover). Nazism was a separate, but related, militant leg of the globalists, both working toward global domination. Communism won out and through stealth initiatives achieved what brute military force failed to accomplish, that is, to conquer the known world. A student need look no further than the coup takeover of Iraq, Afghanistan, Libya, Egypt and other nations within the last decade by the globalists to realize that the New World Order is well on its way to being established (which ultimately will become the Beast system of the coming man of sin, the Antichrist).

The New World Order Is Founded Upon Lying Deceit

The entire NWO system is based upon lies, treachery and deceit. Americans have been lied to about the true nature of all recent wars. We were lied to about the September 11, 2001 Trade Tower attacks in New York. The mainstream newsmedia was instrumental in deceiving the American public, who still believe that some nutcase hiding in some caves with a laptop in Afghanistan pulled off 911. The Bush administration lied about who, what, where, when, how and why. It was all a pack of malicious lies and deception!!! We were lied to about existing Weapons Of Mass Destruction. We were lied to about Saddam Hussein's involvement with the 9-11 attacks.

We were lied to repeatedly by Barack Obama that he would not cater to private interests. Yet, since taking office in 2009 Mr. Obama has appointed at least 37 former Goldman Sachs employees to government positions, catering to the lobbyists on Wall Street. Unbelievably there's no laws prohibiting political candidates from blatantly lying their way into office and while in office. So the lies continue. The newsmedia takes a bunch of slick looking videos and photos of Obama hugging people, add some heart-stirring music that everybody likes, and they portray Obama as a hero amongst the people. Toss in that \$350 smile and who wouldn't like Barack Obama? I like Obama too, but as a Christian it pains me to have to expose him for what he is, that is, a dishonest person. That's the truth.

The issue is not about Mr. Obama's sin, for I am a sinner as much as anyone else. I certainly would never condemn anyone for their sins; however, President Obama's lies, actions and policies are woefully harming the American people. [NDAA is a perfect example](#), which permits Homeland Security to make any American vanish indefinitely without a right to due process of law. All they have to do is label you as a terrorist. Something as simple as being a political subversive (protestor) could be your doom, and that's exactly what will happen as time progresses, you wait and see. Those with the biggest mouths who come closest to the truth pose the greatest threat to the establishment. Bye bye little birdie!

I respect the U.S. Office Of The President, as I respect all God-ordained authority; but I am also obligated as a Christian (and it's also fortunately our Bill Of Rights in the U.S. [First Amendment]) to peacefully petition our government when they abuse and violate our rights through tyranny). President George W. Bush while in office called the U.S. Constitution, "just a God*amn piece of paper." Our founding fathers who risked, and in many cases gave their lives to secure our liberties, would have begged to differ with Mr. Bush's insolence. Mr. Bush swore an oath to defend the U.S. Constitution when he took office. Instead, Mr. Bush shamed and horribly disgraced the highest office of the land and desecrated everything which the U.S. Office Of The President stands for, invoking the wrath of God.

Freemasonry lies and deceives 90% of its members, operating as an organization within an organization. The false religious cult of Mormonism operates the same way, that is, an a organization within an organization. The outer 90% are a front (cover-up) for the inner esoteric 10%. Evidence of this is provided by the highly secretive nature of both Freemasonry and Mormonism. Only advanced members within the organizations are permitted into certain areas, to attend important key

meetings and to have access to vital core information about the cults. Most Freemasons never progress beyond the 3rd degree within their organization. There are 33 basic degrees (and then some even higher positions reserved for a chosen few who can only be appointed).

Not surprisingly, both Freemasonry and Mormonism share many of the same core tenets. It is quite clear that Mormonism's founder, Joseph Smith (who was a 33rd degree Freemason) incorporated much Masonic principles into Mormonism. Charles Taze Russell (founder of the Jehovah's Witnesses) was also a 33rd degree Freemason. If you do some research, you will quickly learn that Freemasonry is the common denominator in many of today's fake Christian religions (part 2). It all makes sense when you learn that Satan has desired to achieve world government since the tower and city of Babel in Genesis 11:7-9. Here is Dr. Henry Makow's definition of the Illuminati . . .

"The Illuminati refers to a tightly organized network of family dynasties representing Anglo American and European aristocracy and Jewish finance joined by intermarriage, belief in the occult, and hatred of Christianity. Freemasonry is their instrument. They care nothing for their non-Illuminati brethren, Jewish or not. They will destroy billions as they create a neo feudal world characterized by the superrich, their support staff, soldiers and serfs."

13 BLOODLINES OF THE ILLUMINATI

2nd Thessalonians 2:9-10 teaches that the Antichrist when he comes will DECEIVE people with lying wonders, signs and deceit. God gave us the Bible, the truth, as a LAMP unto our feet (John 17:17; Psalms 119:105). Without becoming a born-again Christian, no one can understand spiritual truths (John 16:13; 1st Corinthians 2:14). In defence against becoming a victim of the New World Order it is very important that we resolve inside to remain an INDIVIDUAL, honest and willing to stand alone if need be. Groups never decide to serve God. The Lord raises up one man, and then others follow him.

The Dishonesty Of Hollywood And Walt Disney

It's no coincidence that Hollywood has incrementally dismantled and single-handedly

corrupted and ruined the family values of our nation through movies and filthy television. Hollywood is of the Devil. The Church and Hollywood are diametrically opposed to each other, working against each other for separate causes and allegiances.

Have you ever noticed [the lion roaring at the beginning of many movies?](#) Now read 1st Peter 5:8, "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour." Is it mere coincidence that Hollywood uses a roaring lion, when the Bible warns that Satan as a roaring lion seeks to destroy men's lives? I think not. Argue as one may, it cannot be argued that Hollywood is the smut capital of the United States, exporting more sexual filth and dirty trash than any other place in America. Hollywood is far more homosexual than San Francisco. Hollywood is dishonest. They use psychological manipulation to corrupt people's minds and subvert families. It's a proven fact. Hollywood movies are defined by taking God's name in vain, blaspheming the Lord Jesus Christ, planting subliminal thoughts of vile sexual immorality, promoting violence and undermining good family values with evil agendas that corrupt and destroy families instead. God hates Hollywood and everything about Hollywood. They should call it Hollyweird!

My friend, all you have in this world is your guts and your word. Please be an honest person. There are people who have sought to be close to me as friends, but they lie to me so much that I don't trust them anymore. I simply can't trust them to do the right thing. They are opportunist type people, willing to sell-out if the price is right. They're sneaky, always calculating their next move, playing mind games with people. Money is the god they worship, which almost always ends up being the center of their conversation, instead of winning souls.

There is a powerful element of deception in Walt Disney and Hollywood movies, implanting subliminal sexually immoral and suggestive thoughts into the minds of viewers. There is an ongoing agenda to promote [hatred against Jesus Christ, the Bible and Christianity](#). Homeland Security even has a paid liaison working in Hollywood to incorporate government propaganda into movies to indoctrinate Americans to accept torture of detainees, believe the 911 cover-up and [be led to believe that the evil Bush administration had honest intentions](#). The Devil is at work in the movie industry, deceiving and corrupting the masses of society.

[Walt Disney hates Jesus Christ](#), even [mocking the Lord with a crucifixion theme park](#), as if it's all entertainment. Walt Disney portrays their dirty business as a family company; but in reality, the Disney corporation is an Illuminati family, spanning generations of wickedness in the American culture. [Walt Disney's true Communist agendas](#) are to subvert American society, to corrupt the Biblical morals and good values of our children and promote sexual promiscuity, fornication, rebellion against parental authority, attack the Bible, remove personal individuality, remove patriotism for country and all sovereignty; and to welcome illegal immigrants, lesbians and the new insane eco-terrorism culture that values animal and plant life over humans (which are now viewed by "System Of A Down" rock band and millions of youth today as the curse of the planet. Yes, you humanity are the disease of the

planet which must be eradicated, and [that's the globalist's master plan](#)).

Honesty Concerning One's Marriage Vows

Divorce is incredibly painful if you ask people who've gone through it. Divorce brings with it a prolonged feeling of overwhelming loneliness, guilt, betrayal and grief worse than death.

Here are some comforting words from Pastor Art Kohl...

As a pastor concerned for divorced people, I've heard a lot:

- "Divorce is worse than death. At least with death the person is gone."
- "This is the ultimate form of rejection."
- "I feel so dead inside."
- "I feel like a complete failure"
- "I never thought this would happen to me"
- "The anger I feel is so much stronger than the love I ever had."
- "I can't divorce myself from the feelings I had for this person."

Divorce is devastating to those involved. Whether it becomes ugly or is "amiable," few entered marriage expecting this result. Sayings like, "It is better to have tried at love and failed, than to never have loved at all," do not help. It comes into your mind everyday. It never goes away. Some feel like they are labeled, "Unclean, Divorcee!" They feel like outcasts to family, friends, neighbors, fellow employees and especially churches.

Be honest and loyal to your spouse whom you marry. If you both live to old age you're going to need each other. How tragic it is to see an elderly person all alone,

because their spouse selfishly abandoned them many years before. American society has become so saturated with heathendom that people are getting divorced and living alone more than ever before. Lesbianism, adulterous remarriage (if the departed spouse quit), shacking-up in fornication (i.e., a relationship) and one-night-stands are the alternative of choice for many feminist women. There is no fear of God before their eyes (Romans 3:18). Lawyers and judges who partake, financially profit from and permit divorce, child abduction by CPS, abortion and same-sex marriage will face the judgments of an angry God (Ecclesiastes 12:14; Hebrews 9:27). God hasn't changed, wicked men and women have!!! (Malachi 2:6; Hebrews 13:8). Hell will be hot enough!

The Curse Of The Dishonest Banks In America

Furthermore, all of the economic problems in America today were artificially created by the greedy banksters and sell-out politicians in Washington DC. ...

Alex Jones analyzes a JP Morgan Chase ad that was in heavy rotation over the Thanksgiving holiday that is meant to sell the idea that the mega-bank is the backbone of America, when it reality, it is part of an enormous fraud.

http://www.youtube.com/watch?v=jBIT_Lmnscs

Instead, the predatory institution, along with the other 'Too Big to Fail' banks that received bailouts, have used corporate welfare to sellout the nation, ship jobs overseas, reap profits on money lent from the Federal Reserve at zero interest, while saddling huge debts upon the people through the larger derivatives scheme. The failure of the banks to lend to small businesses and ordinary Americans has been blamed for further stalling the economic crisis created by over-leveraging and derivatives on the global market.

JP Morgan Chase is at the heart of Rothschild and Rockefeller monetary interests; no wonder that its CEO Jamie Dimon sits on the New York Federal Reserve board of directors, while wealthy elites like Warren Buffett have

called for him to replace Tim Geithner (another Fed insider) at the Treasury Department.

The Dishonesty Of The Booze Culture

One of the biggest deceptions in the world is drugs and alcohol. What always starts out as the time of one's life ends up often costing people their life. On July 23, 2011 the infamous Jewish singer, Amy Winehouse, [drank herself to death with booze](#). It's so sad and unnecessary. Winehouse was a longtime cocaine, heroin, ecstasy drug and booze addict. Amy died at only age 27 officially of alcohol intoxication, having a BAC of 416 mg per decilitre (44.11% of her blood was alcohol)!!! The conversions of decilitres to American standards of measurement is as follows...

- [1% Blood Alcohol Content \(BAC\) is equivalent to 9.43 mg/g](#) (or 9.43 out of 1,000 parts total)
- Amy's BAC was 416 mg per gram when she died
- So if we divide 416 by 9.43 we get a shocking 44.11% of Amy's blood saturated with alcohol
- Alcohol is a drug, defined as a narcotic
- The 0.08% limit in the United States is 80 mg/dL

As a whole, many cultures around the world are responsible for promoting a culture of booze and partying, the consequence of which is a certain percentage of broken lives, ruined families and tragic deaths. To the same degree that a culture embraces the evils of alcohol, to that same degree people adopt a form of insanity which causes them to live in utter denial of the consequences of sin. The Bible is 100% correct concerning the evils of the human heart. **Jeremiah 17:9**, "The heart is deceitful above all things, and desperately wicked: who can know it?" No matter how many celebrates (and the youth who idolize their foolish behavior) continue to die from booze overdose, the wickedness will never stop!!! Both [Rick Danko and his son drank themselves to death with booze](#). It's not that people will never learn, but rather, people are wicked and choose to live sinful lifestyles on the edge.

The Word of God indicts mankind as being desperately wicked (Romans 3:19).

Celebrities who kill themselves through substance abuse become automatic legends, which is a terrible testimony on any culture. Amy Winehouse is a poster-girl for sinful shame, Godless rebellion and vile immorality. She's not my hero and anyone who idolizes Amy Winehouse has spiritual issues. The fact is that the wicked world accepts and loves their own, while hating and rejecting Christians (John 15:19). The world is saturated with lies and deceptions. The evidence is mounting every day against the evils of booze, drugs and the immoral party life; yet youth can't seem to get enough of it.

Men and women are living a lie, because there is NO possible way to drink responsibly in a party setting, anymore than you can have an Oxycontin-party responsibly. White trash (admittedly called so by himself), [Toby Keith brags about getting drunk](#) and thinks that make him a somebody. God only knows how many young people have gone out partying with alcohol while blasting Toby Keith's fool-hearted music, ending up dead or crippled or killing someone else because they were driving under the influence.

Most people don't understand what's really happening in America. You see, the only reason why the legal BAC (Blood Alcohol Concentration) level is set at .08 (that is, 8 parts of your blood out of 100 total parts is alcohol) is because of sleazy, dishonest, evil, lawyers who represent the evil interests of sleazy, dishonest, evil, beer company owners and executives who payoff sleazy, dishonest, evil, scum in high-places who control and payoff their puppet judges in U.S. courts. The booze cartel is a dirty racket, mafia controlled and owned by thugs, God-haters and evil people. Honesty is much more than just telling the truth, it's a state of character, that compels a person to do the honest thing in every situation, at any peril. It is an honest and good heart the Bible says that compels a person to be a soul-winner and obey God's Commandments (Luke 8:15). Honesty is a lifestyle choice.

What's really sad is how many Christians backbite and reject their own. It's expected that the unsaved world would hate Christians; but for any professed Christian to gossip, slander and tear down another Christian is the height of wickedness. I'm tired of hateful believers criticizing other Christians, when they ought to be criticizing the ungodly for corrupting society. Not one negative word is said on Wikipedia about [Van Halen's heavy-metal Rock 'N' Roll band members](#), but numerous Godly preachers are demonized as Antichrists. That's where the world is at today. 1st John 5:19 teaches that the world has always been wicked, but modern technology has allowed the sinful world to travel further down the road it was already on.

There are dozens of videos online on YouTube, some of Amy's life and others of her sad funeral. People are standing around in disbelief crying. It's too bad that no one cared enough about Amy until she was dead to really help her. People are so hypocritical and foolish, glorifying partying and booze while acting shocked when someone goes over the limit. It's like everyone having a good time playing [Russian Roulette](#) with a loaded gun, but then somebody actually dies when they pull the trigger on a loaded chamber with a bullet, then everyone starts crying and freaking out. That's how crazy the booze-partying crowd is. They want to play Russian

Roulette while pretending that the gun is not loaded. Booze is a drug my friend. Beer is loaded! Alcohol is the loaded chamber, and the gun is the party. Someone is going to get the bullet when it's their turn to pull the trigger, and they are going to die!

The Bible perfectly describes the deceitful nature of strong drink (fermented alcohol) in **Proverbs 20:1**, **“Wine is a mocker, strong drink is raging: and whosoever is deceived thereby is not wise.”** Strong drink is raging the Bible says, mocking the drinker because of what's going to happen to them. Since it's strong drink, it works immediately after just one drink, already impairing driving ability and affecting motor skills. Courts around the world are getting tough on drunk-drivers, sending them to prison and imposing hefty fines. Don't be a fool, don't drink at all. Remember, you can't take two drinks if you don't take the first!!! You can't risk becoming a drunk if you don't ever take that first drink. Many people got started drinking alcohol by just having a glass of wine with their dinner, which led to other alcoholic beverages and then ruined them. Alcohol causes a chemical addiction in the body, which often requires medical intervention. Amy's death was no surprise to anyone with a thinking brain and an honest heart.

Amy met a bum named Blake Fielder Civil, a cocaine-crack-heroin-addict who introduced Amy to a drug-filled life and helped her ruin herself. I get sickened every time I hear the hypocritical song in stores titled, **“SAY NO TO DRUGS,”** which is intended to warn children and teens not to take drugs; while parents hypocritically guzzle cases of alcoholic booze, which is A DRUG!!! Kids do what their parents do, not what they say. The effort to thwart America's youth from drugs has FAILED. The following picture speaks 1,000 words to the utter hypocrisy of our retarded culture...

The clergy are so phony these days. They make a big show, "Our Father, Who art in Heaven," but their hearts are so far from God. As Matthew 15:8 says, they honor God with their mouth, but their heart is far from Him.

Are You An Honest Person?

Do you care about what really happened on the morning on September 11, 2001? Do you care that literally THOUSANDS of exhibits of concrete evidence have indicting 9-11 as an inside job by the Bush administration? I CARE! I must know the truth. The truth can be dealt with, but a lie cannot.

If a person is honest concerning their vows (promises), then they will never even think of quitting by filing for divorce. Moreover, love never faileth the Bible says. Anyone who in any way recommends, seconds, approves, encourages (directly or indirectly), nurtures or financially gains from a divorce is in league with the Devil, behaving exactly as a child of Satan does. God has no admiration for quitters and accusers. Your life may seem sweet now, all you who hurt others and justify it in your own feeble minds, but bitter judgment awaits you in eternity.

Just one person committing one sin can destroy an entire civilization (case in point, Adam, who opened the floodgate of sin and death upon the entire world). God holds each and every one of us accountable for the consequences of our actions (good or bad). There should be a desire in every born-again Christian to sincerely please God, to be honest, and not to be a part of Satan's system of chaos, confusion and disorder. God gave us the Bible to comb the kinks out of our head. We have the answers in the Words of God.

You can travel anywhere in this world and you'll find that people have some degree of faith in God, often a cross on their neck or a religious tattoo; but it's only synthetic and shallow religious devotion, not Biblical, born-again, pure, Christianity. The truth is there, in every culture, shielded behind all sorts of religious mumbo-jumbo and sacramental ceremonies. You need the truth of the gospel of the Lord Jesus Christ my friend, that is, that Christ died, was buried and rose up from the dead for our sins. If that's your sole hope for Heaven, then you are saved. Simply receive the gospel as full-payment for your sins and you are going to Heaven. Religion is dishonest; but the Bible is true. Religion wants to fit us with glasses; but the Lord wants to open our eyes.

You couldn't pay me enough money to be a lawyers, judge or even a paralegal in this corrupt legal system in America. I'm tired of hearing that it's imperfect, but one of the best. Who started that lie anyway? It's such a big lie! Our legal system allows homosexuals to legally marry, allows promiscuous and irresponsible adults to abort their children, booze flows like rain in a gutter during a thunderstorm (and the bodies keep piling into the graves), divorce is a multi-billion dollar-a-year racket in the U.S., 25% of the world's prison population are incarcerated in America (land of the free? ha!), and on and on the evil machine rolls, aka, "THE SYSTEM."

Honesty is much more than just telling the truth, it's a state of character, that compels a person to do the honest thing in every situation, at any peril. It is an honest and good heart the Bible says that compels a person to be a soul-winner and obey God's Commandments (Luke 8:15). Honesty is a lifestyle choice. **Luke 8:15,** "But that on the good ground are they, which in an honest and good heart, having heard the word, keep it, and bring forth fruit with patience."

"Honesty is hardly ever heard, and mostly what I need from you."

As a born-again Christian, I want to think right, do right and live right in Christ's strength. I hope you feel the same.

Lyrics to Billy Joel's song *HONESTY* (1978)...

If you search for tenderness
it isn't hard to find.
You can have the love you need to live.
But if you look for truthfulness
You might just as well be blind.
It always seems to be so hard to give.

Honesty is such a lonely word.
Everyone is so untrue.
Honesty is hardly ever heard.
And mostly what I need from you.

I can always find someone
to say they sympathize.
If I wear my heart out on my sleeve.
But I don't want some pretty face
to tell me pretty lies.
All I want is someone to believe.
